

# 6 TIME-SAVING SOCIAL MEDIA TOOLS

**Topic Detective** - Enter a couple words related to what you want to write about, and it will generate a list of topic ideas for you!

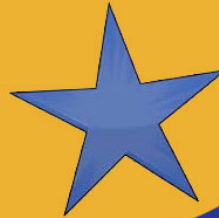

PAY WITH A  
TWEET

**Fan of the Week** - Show some love for your most active fans on your Facebook fan pages.

**MeetEdgar**

**Meet Edgar** - Load content in bulk and let Edgar choose when to schedule them. The more content you post, the smarter Edgar gets!

**Fan of the Week** - Show some love for your most active fans on your Facebook fan pages.

**WooBox** - This one can do a lot: Contests, Coupons, Quizzes, Polls, Social Media Landing Pages, and more.

**Pay With a Tweet** - Offer followers an alternative to opting in with their name/email address. Instead, they can tweet a message out on their twitter profile, and in exchange, you give them access to your free gift.

Armed with these 6 social media tools, you will be able to build a following of fans who love you without having to sacrifice hours each day!

**PS.** If you love hanging out on social media, like I do, I welcome you to join my Weekly Biz Exercises Facebook Group - a community for business owners who want actionable tips, strategies, and exercises they can easily implement for more clients and more cash, each and every week.
